## Celebrate Community Day and support the Lawrence Township Community Foundation by sponsoring the Community Day Walk on the Lawrence Hopewell Trail!

The Community Day Walk 4-mile course is a mostly flat trail traveling through Village Park and Mercer County Park Northwest. All proceeds from the walk will go directly to support the nonprofit organizations benefiting the Lawrence Township Community.

LTCF provides its support to local nonprofits through cash grants. Since 2001, LTCF has provided over \$600,000 in grants to community organizations. For more information about LTCF, go to [www.ltcfnj.org](http://www.ltcfnj.org)
