\$1,000,000 and Counting

Now in its 17th year, the Lawrence Township Community Foundation (LTCF) is pleased to announce that with its most recent grant cycle, it has now awarded over \$1,000,000 in funding to a diverse array of non-profit organizations in and around Lawrence Township. Founded in 2002, the LTCF has been awarding local non-profits with valuable grant dollars to support a wide variety of programs for residents in need, as well as funding enrichment programs in education, sports, music and the arts. Foundation support contributes to the critical mission of agencies such as Womanspace, HomeFront, NAMI Mercer and PEI Kids. It enriches the vibrancy of programs such as Big Brothers Big Sisters of Mercer County, Lawrence Hamnett Soccer Association, Dress for Success and Music in the Park. The LTCF is comprised of an all-volunteer board who serve as a careful steward for donated funds to be distributed in the form of competitive grants for the benefit of our Lawrence Township residents and the programs that they rely on. The LTCF is supported by the generosity of our major sponsors Bristol-Myers Squibb Company, Educational Testing Service and the Lawrenceville School, as well as donations from local residents.
