**SUPPORTING OUR COMMUNITY
IN A YEAR OF UNPRECEDENTED NEED**

BMS and The Lawrenceville School help LTCF Award \$97,200 in 2020 Grants

The Lawrence Township Community Foundation (LTCF) was able to respond to the unique challenges posed by the COVID-19 pandemic by supporting non-profit organizations serving the needs of Lawrence residents with \$97,200 in 2020 grants. The near doubling of our annual financial support was made possible by emergency board action to tap into the LTCF's Bill Guhl Fund, earmarked for special community needs. The Bill Guhl Fund was established in 2005 through donations honoring the retirement of the former Township Manager. LTCF is also grateful for two special emergency dispensations from ongoing major sponsors, Bristol Myers Squibb (\$20,000) and The Lawrenceville School (\$5,000), to help organizations address the urgencies in our community caused by the health crisis.

Together with our major sponsors and individual donors, LTCF focused our 2020 Grants on organizations providing support to our most vulnerable residents, experiencing hunger and emotional trauma as a result of the pandemic.

Thank You to Our Donors!
