**NEIGHBORS HELPING NEIGHBORS FOR  
OVER 20 YEARS**

***Bristol Myers Squibb, The Lawrenceville School, Educational Testing Service, and the Mercadieu Foundation continue support for our neighbors!***

Since the Foundation’s launch in 2002, the generosity of these organizations and the many donations from local residents have allowed the Foundation to distribute more than \$1.2 million in grant money. Throughout 2021, over \$59,000 was awarded through 25 grants to local nonprofits whose work directly benefits Lawrence families, senior citizens, women, and youth.

Donors can be assured that their money stays local, because grants expressly serve the needs of our neighbors in Lawrence Township. At the same time, it goes far by addressing a diverse set of problems and interests, including persistent COVID-19 challenges, food insecurity, homelessness, and community enrichment. The contributions of our donors support struggling Township families with young children as well as seniors suffering from isolation. Since the Foundation is an all-volunteer organization, donations are not used to pay staff salaries or complex back-office expenses.
